

A scenic landscape featuring a coastline with a sandy beach and blue ocean waves. In the foreground, there are rugged, brownish hills. Three paragliders are visible in the sky: one large orange and white canopy in the upper left, a smaller red canopy in the middle, and another orange canopy in the upper right. The sky is a clear, light blue.

Leadership & Sustainability

About Leadership & Sustainability

“Sustainable Innovation for Industries, Corporations and Organizations”

We promote

- Sustainability as Corporate Strategy
- Sustainability as Business Model
- Sustainability as Leadership quality

Leadership & Sustainability combines sustainability expertise with leadership capabilities – to support you in becoming a true Leader in Sustainability.

- Our platform of solutions covers Consulting, Empowerment, Sustainable Business Models and Software & Tools.

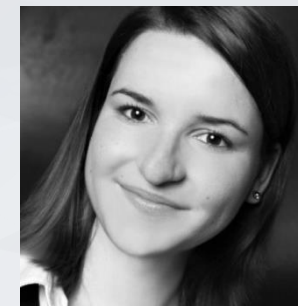

Our Expertise, Outreach and Partnerships are global, with anchors in **Europe, Asia and America**. We are a member of **SAC**, Sustainable Apparel Coalition.

- Our mission is transformation and embedding of sustainability into business processes over the entire value chain.

Leadership & Sustainability

2

Karin Ekberg: Deliverables at adidas Group – 2009 – 2014

3

- Driving and steering the adidas Group' efforts **across brands, regions and functions** in systematically managing environmental needs and challenges and to **maintain the leadership position** of the company in sustainability matters.
- Ensuring that **Group-wide strategies and programs** were established, executed and maintained that continuously strengthened the environmental performance of the company's internal business operations and its global supply chain.
- Delivered: **Environmental Strategy 2015 & Green Company Initiative** and targets 2015.
- Board **chair of SAC**, 2012-2013.
- Executive team member of **ZDHC, Zero Discharge of Hazardous Chemicals**, 2011-2013.
