Leadership & Sustainability

About Us

At Leadership & Sustainability, we help companies become sustainability leaders in their respective industries. Whether you are looking to take the first step towards improving your sustainability or would like to expand your existing efforts, our team of experts are here to help you with all your sustainability needs.

Leadership & Sustainability

Strategy Services

We are strategists & compliance experts:

Double Materiality Assessment | Sustainability Strategy Development | Strategy Implementation | Cyclical Services | In-house Consulting | Sustainability Reporting (CSRD)

3

We bring extensive experience in the textile & hardgoods industry:

Process Specialist | Industry Expertise | Global Presence | Cascale Service Providers

We provide climate solutions and insights:

Carbon Footprinting | Climate Strategies | Climate Action Plans | SBT Support

We train and empower your team for sustainability success:

Customized Sustainability E-Learnings | Executive Coaching | Sustainability Trainings & Workshops

We offer verification & assurance services tailored to your needs:

Higg BRM Consultations & Verifications | GHG Assurance | Assurance Readiness Checks

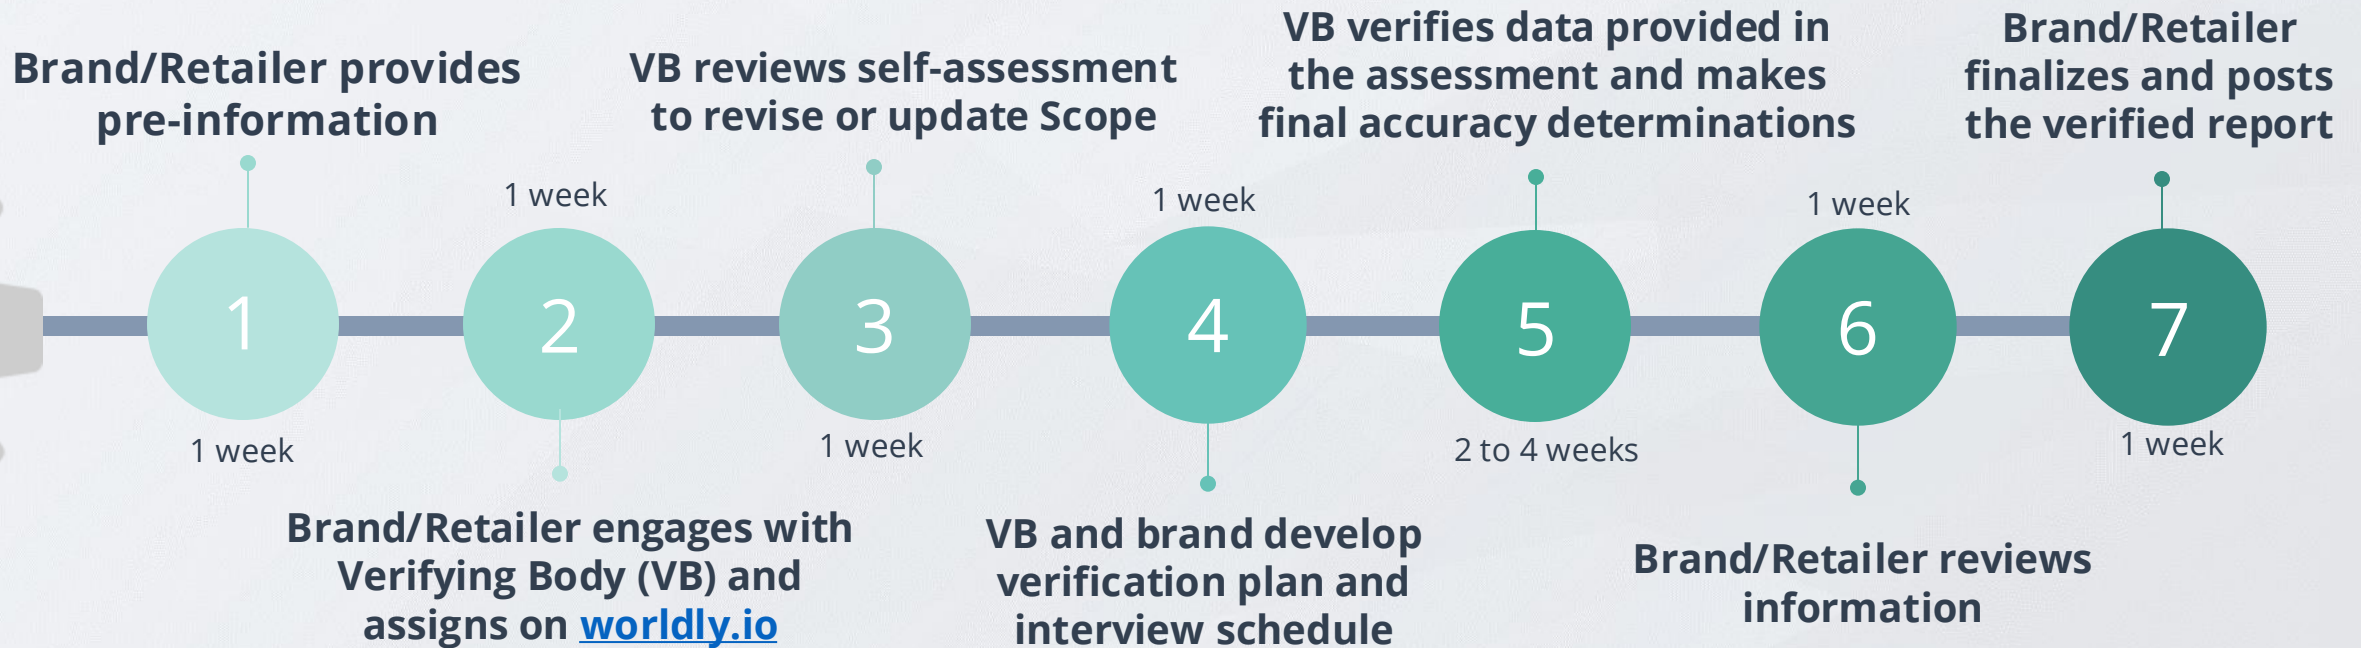

What is the Higg BRM and what does it assess?

The Higg Brand and Retailer Module (Higg BRM) is part of the Higg Index, created by Cascale. It provides a framework for brands to evaluate their social and environmental performance across key areas, including:

Environment	Social	Governance
 Climate	 Workers	 Structure and Management
 Water	 Employees	 Ethics and Behaviour
 Waste	 Consumers	
 Chemicals	 Communities	
 Biodiversity
